## Product features

Eco friendly

## Advantages

All ingredients have been carefully chosen for their quality, this specific application and minimum harm to the environment. The formula is readily biodegradable according to OECD 301F.

Mild ingredients

Contains ingredients that are gentle on the skin making this soap especially suitable for frequent use.

No wastage

Our sealed cartridge makes it possible to use the soap right to the end. Some residual soap (less than 2% of the original volume) may be caught in the folds of the empty cartridge.

Hygienic

Pump and cartridge are sealed through sonic welding preventing bacteria cross contamination.

Efficient

Cleans light amounts of dirt from your hands with only 1 portion.

Caring

Contains Glycerin, which leaves the skin well-moistened and soft. Dermatologically tested and approved.
