Metsäliitto Cooperative uses this list of partners to report interest on members' capital to the Tax Administration for the personal taxation of individual partners. An estate is treated as a taxation unit. Indicate the estate, instead of the individual parties to the estate, as the co-ownership partner.

Please note that if any additional shares have been sold or exchanged between members, we require reliable proof of the payment of transfer tax by the buyer or transferee (chapter 4, section 15 of the Cooperatives Act). A receipt of transfer tax payment is considered reliable proof. If required, the receipt can also be submitted as a digital copy through the Metsäverkko messaging function.
